What does membership cost?

Staffordshire Music Centres are supported by the grant we receive from the Department for Education and we aim to ensure fees are affordable and value for money. You only need to pay one membership fee to access as many groups as you would like.

A full year membership fee is £81.00
Additional family members pay £40.50

Fees can be paid in advance for the full year or three times a year, per academic term. If the membership fee may prohibit access to a Music Centre group then please contact musicservice@entrust-ed.co.uk to discuss the details. We always aim to ensure cost does not prohibit access to the Music Centre offer.

The opportunity to rehearse and perform with others is vital to the motivation of musicians. As well as the challenge of making music with others, it also helps you to; improve your music reading, meet new friends, learn how to perform, increase your confidence and gives the opportunity to play fun and exciting music in many performance venues.

Whatever your interests, age, or level of ability there is a Music Centre activity to suit you. Please see the table below for a snapshot of what is on offer across the county. Contact your local Music Centre for more information or email the Music Service directly – musicservice@entrust-ed.co.uk
