TWO RIVERS High School

Sixth form GCSE Art trip to the Herbert Gallery in Coventry. We visited an exhibition by artist Daniel Lismore which linked to our Body Adornment coursework project. Students were able to see art and design work by a living artist and costume designer. Students were excited to see the beautiful inspiring work and have since produced their own work based on the exhibition, showing contextual links, which improves their attainment.

Welcome to our latest Two Rivers High School.....Newsletter!

Students have been exceptionally busy at school this half term with exams, trips out and inter-school sport competitions.

We hope you enjoy the extra Bank Holiday for the Queen's Platinum Jubilee and we are looking forward to our own Jubilee celebrations in School on Monday 6th June.

Miss Gail Brindley

Headteacher

We have kindly been donated a number of cornflower seeds in support of the 'Seeds of Hope' Campaign from Morrison's. Cornflowers are known to symbolise hope and to tie in with the Jubilee they are also one of the Queens favourite flowers (apparently!). We will keep you updated in the next newsletter on how are seeds grow!

In Art Ariane, Curiosity, Venture, Titan, Polaris, Capella and some sixth form students, created 70 Queen portraits in the style of the famous Artist, Andy Warhol, to celebrate the Queen's Jubilee.

Upcoming Events

Half Term - Monday 30th May - Friday 3rd June 2022

Queen's Jubilee Party - Monday 6th June p.m.

Parent Sensory Workshop - Tuesday 7th June 2022

Leavers Photos - Friday 10th June 2022 in the afternoon

Fashion Show - 15th June 2022 doors open 6.15pm

Yr 11-14 Prom - 24th June 2022 6:30 - 9:30pm

This term at Forest school we have been celebrating wildflowers for part of Wildflower week 1st -7th May. We have created wildflower beds with help from the Adventures Environmental group. All groups have made seed balls to disperse at Forest school. The groups have taken part in flower pressing, Hapa Zome and making some wildflower plaques

This term in SMSC in Ariane, we have been studying the topic 'Being a good citizen'. As part of being a good citizen, we made help pledges where we strived to do good deeds to help our community whether this be a home or in school! We have also began learning about voting. We carried out our own mock vote and used ballot slips, a ballot box and a private room for voting. We discussed how it felt when your vote was not the elected winner and whether this was a fair system to use.

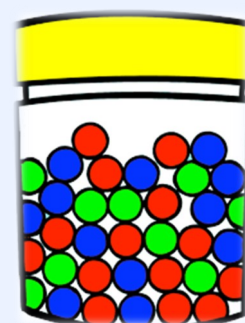

Curiosity have been working really hard on money this half term. They have identified coins and notes, have found totals of amounts, have calculated change, have shown pence as pounds and have used money to solve problems. Brilliant work

Stellar have been enjoying walks around the local area to support our mental health and wellbeing. We also have visits to Conkers and Whitemoor Lakes planned over the coming weeks.

We have been earning rewards for our excellent behaviour, amazing attitudes and for trying our best. So far this term, we have enjoyed; a cycling session, extra break time, football, cakes, and making smoothies.

Nova have been practising the story of The Cat in the Hat knows a lot about Space in English. They took advantage of the recent good weather for a dress rehearsal and practised on the playground. They are looking forward to performing this to parents/ carers next term.

Arctic class collected a £50 voucher for the fashion show raffle, kindly donated from Specsavers in Ankerside. Join us at the fashion show on 14th June for your chance to win, amongst other fabulous prizes!

School

These students represented Two Rivers High School at the annual WMSSSA football tournament at the Wolverhampton Wanderers Foundation. Both teams performed admirably, with our KS3 team narrowly missing out on the final.

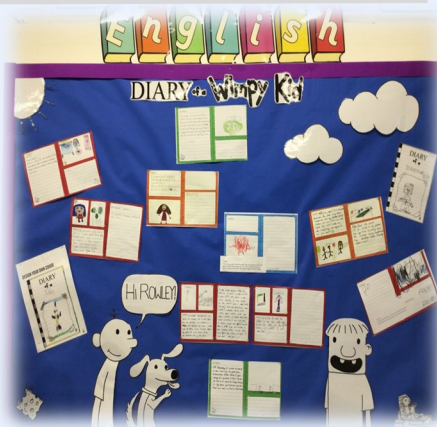

Students from Apollo have been working on building their own clocks in Design and Technology. They have designed them and then have now started to build them by using saws and wood. Students have been able to carefully understand how to saw materials successfully and safely.

Students in Everest have been learning all about 3D shapes this half term. We have been on shape hunts around school, we have described 3D shapes and we have even made our own. Take a look at some of our shapes!

Everest this term had a trip to Kingsbury Water Park as part of their Forest school sessions to compare the wildflowers that we have at Forest school to the ones at the park.

This half term in English, Ariane and Sirius have been learning how to write a diary. We looked at Anne Frank's diary and Diary of a Wimpy Kid to help us.

PLATINUM JUBILEE

Around School

The 6th form Drama group performed Sigurd the Dragon slayer to the students and staff at Two Rivers High School. The cast worked exceptionally well as an ensemble and their discipline, teamwork and focus was exemplary. The production had great pace and energy and captivated the audience from beginning to end.

Massive congratulations to all involved!

Explorer and Adventurer students participated in a friendly Tag Rugby match against Southall School, both teams showed brilliant sportsmanship and thoroughly enjoyed the day.

Cody's Blankets

Mrs Pelham has kindly made and donated these beautiful blankets to Cody's friends in Arctic. The students were so pleased to receive these thoughtful gifts.

Thank you so much for your kindness Mrs Pelham.
