

Online Safety Newsletter

November 2022

The National Online Safety is a Multi-Award-Winning Online Safety Education for the Whole School Community

At school we use the platform to education staff and to support the teaching of the Online Safety Curriculum.

At home, parents' carers and the wider community can sign up for a free account.

<https://nationalonlinesafety.com/enrol/two-rivers-high-school>

Once you have created your account you can access a range of information.
