

Summer 1- 2023

NEWSLETTER

TWO RIVERS High School

Congratulations to Taya from Galaxy who won the Royal Teddy Bear called Lillibet donated by our Charity Shop on behalf of Nova. Nova have been shopping in the community and made a visit to our local Acorns shop where we made some purchases before moving onto the café in the Castle Grounds.

Welcome to our latest Two Rivers High School.....Newsletter!

The first part of the summer term has already been a busy one with Bank Holidays, Coronation Fete and concerts. In addition to these amazing activities, many of our Pioneer students have been working hard on their external exams, which have just begun. We wish them well in their revision and their plans for their future education/learning.

Miss Brindley - Headteacher

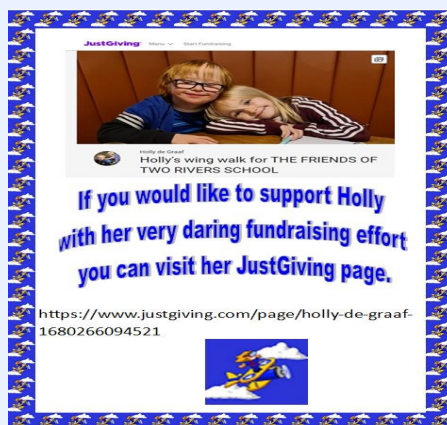

To celebrate the Kings Coronation, in Art Explorer students created portraits of the King in the style of the famous Artist, Andy Warhol.

Two Rivers students have been working hard last term to create props, staging and to learn lines to prepare for the school production. They showcased their fantastic talents in their performance of Charlie & The Chocolate Factory on Thursday 11th May. A massive **well done** to all students involved, they all performed with confidence to give the audience a fantastic show! **Thank you** to all students, staff and parents for supporting the production and being a fantastic audience.

Asda Tamworth very kindly donated a lovely raffle prize for our Coronation celebrations. **Thank you Asda!**

Upcoming Events

Whole School Transition - 5th July 2023

DofE Expedition - 17th - 18th July 2023

Around

Curiosity have been busy making some wonderful food in cooking. They have prepared and made cheesecake, chicken stir fry, bacon sandwiches, tomato pasta, burgers, spaghetti Bolognese, fruit smoothies and more. We even made cakes for a bake sale! Well done, Curiosity.

Fitness Fridays - After a successful Endeavour to be Active event last term, the students requested more sports activities at lunch and break. Each Friday the students have been trying different sports including curling, dodgeball, bowling and rounders. There have been a variety of students taking part to be more active and have fun.

Endeavour to be Green - This term the students have been exploring different activities to become more environmentally aware. We are working as a school to be "more green". Students have volunteered to be a part of the green team; they will be litter picking, helping others recycle correctly and being good role models to their peers. They have delivered new food waste bins to the cooking rooms which will be used to make compost. We will be delivering yellow recycling bins to all classrooms next week so that we are able to start recycling plastics.

Meet The Green Team

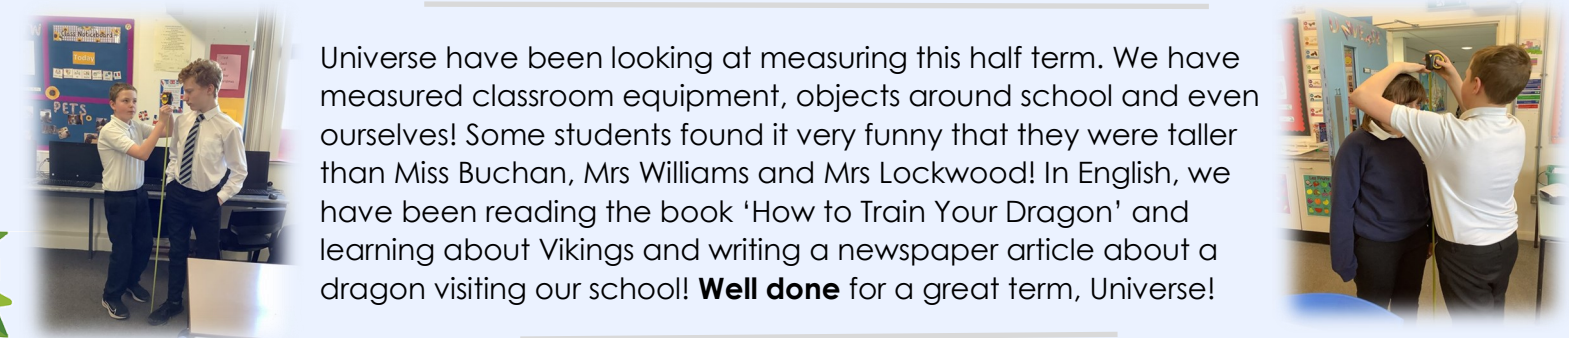

School

Curiosity have been loving their visits out into the community. We have had lots of fun going to a range of places! We have volunteered at local dog shelter Buddy for life, have visited Lucky Tails Alpaca farm, have been to Sacred Heart Café, have visited Rotherton Forestry centre, Conkers, RAF Cosford, Birches Valley and many more exciting places!

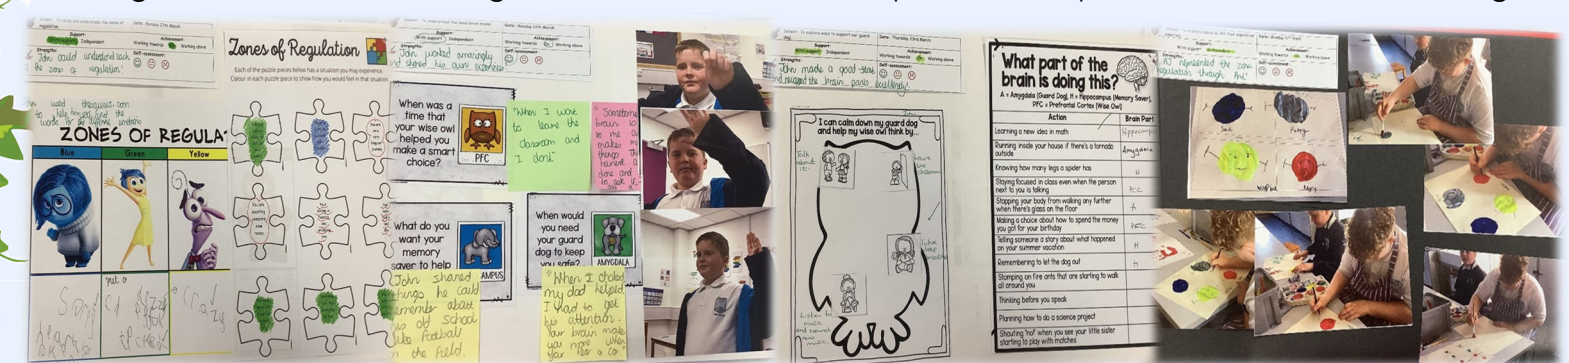

Arctic have been studying life skills this term! We have looked at planting seeds and have begun to create some lovely, healthy snacks for school. We have made so far... Fruit salad, Sandwiches, Apple nachos and Fruit shapes.

Universe have been looking at measuring this half term. We have measured classroom equipment, objects around school and even ourselves! Some students found it very funny that they were taller than Miss Buchan, Mrs Williams and Mrs Lockwood! In English, we have been reading the book 'How to Train Your Dragon' and learning about Vikings and writing a newspaper article about a dragon visiting our school! **Well done** for a great term, Universe!

In Curiosity, we have been working hard on learning about our emotions, the feelings of others and the strategies we can use to self-regulate. Here are some examples of the super work we have been doing!

Coronation Fete

Thank you to everyone who came to the Coronation event at school. It was a wonderful afternoon with students, staff, parents and carers enjoying activities, refreshments and entertainment from the students. **Well done** to everyone involved in making it an excellent event.
