## TWO RIVERS High School

### Chinese New Year Celebrations — Gung hay fat choy!

In year 7 and 8 Explorer and Adventurer Art classes (Ariane, Sirius, Universe, Polaris and Capella) students have been making a 3D model of a rabbit to celebrate Chinese New Year, year of the rabbit. They had an end of half term party to celebrate all their hard work. Students attempted to eat noodles with chopsticks and made lots of noise with the drums in the dragon dance.

## Welcome to our latest Two Rivers High School Newsletter! ...

This newsletter brings to a close our Spring term and we are all looking forward to an enjoyable Easter Break (and maybe a few Easter Eggs). The term has ended with a wonderful Easter Fayre organised by Mr Marston and our Enterprise students. Well done to everyone and it was lovely to see family and friends. In the Summer term we welcome 4 new teachers, Mr Abbotts, Mrs Chawner, Mrs Worth and Ms Roberts. We also have 2 Teaching Assistants joining us. They are Mrs Sheasby and Mrs Clewer. We look forward to them joining Two Rivers. Have a good Easter.

**Mrs C Milton, Deputy Headteacher**

Two Rivers Friends' Association Easter Disco  
Friday 31<sup>st</sup> March 2023

The fun starts at 7.00pm until late.  
(Tickets available from school)

**End of Term — 31st March 2023**

**Pupils return - 17th April 2023**

**Bank Holiday — 1st May 2023**

**Bank Holiday — 8th May 2023**

### THANK YOU!

Planters have kindly donated a £20 voucher for our Forest School sensory bed which Nova have been working on. We purchased some plants for students to smell and touch and to encourage more wildlife into the area.

Woodlands Farm, Freasley, Tamworth, Staffordshire, B78 2EY  
01827 265000. VAT Registration No. 486 4922 91. Directors G.G. Ingram & C. Ingram

Titan, Venture and Atessa have had lots of fun exploring graffiti art. They have learnt how to draw their names in different fonts and make them stand out using different materials and techniques.

On March 6<sup>th</sup> we held a Microsoft Coding day which was run by two members of the Microsoft volunteer team employees.

A range of students from Adventures and Explorers worked together to complete coding activities throughout the day.

Students coded using visual blocks and downloaded their code onto Microbits and Circuit Playground Express.

### World Book Day – Where's Wally? 2<sup>nd</sup> March 2023

**Thank you** to everyone for your support today! It has been lovely to see all the smiles on staff and students' faces.

# Easter School

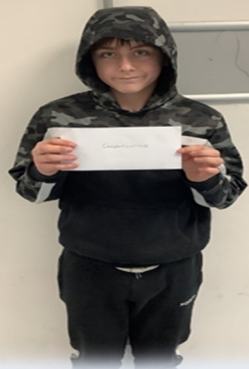

This half term in English lessons, Ariane and Sirius have been learning all about formal and informal letters. To help practice writing their home address neatly and correctly, students posted a letter home in the school post box. Signed sealed and delivered!

## Specsavers competition

A massive **well done** to Benjamin Harcombe in Polaris for winning the competition with Specsavers.

He won £25 in book vouchers, and as a school we have won £100 to spend on books for school!

Two Rivers pupils recently took part in a tag rugby afternoon with Fountains school and Southall school. This encouraged our pupils to play sport, be active and most importantly, enjoy it at the same time.

We would like to say a big **THANK YOU** to everyone who bought raffle tickets to win the Mother's Day Hamper. We raised an amazing £59 which will be donated to the PTA.

# Out and About

This term Nova have went on a trip to Fradley Nature reserve to do some bird watching and compare birds to the birds we have at Forest School .

Community Visit: Polesworth Library

Tuesday afternoon's sixth form community visit group had a warm welcome from staff at Polesworth library. The students had a fantastic time looking through books and maps and then they chose a book which they had to scan before they could borrow and bring back to school.

Nova have been learning about the Police in English. PCSO Gareth and Nicola came to visit and brought with them police hats and jackets to try on. We also sat in the back of the Police van.
