Dear Parent/Guardian

We now have a new catering provider in school. Miquill will replace Chartwells in providing our school lunches.

This company have been sourced by our Endeavour academy in the belief that this new company will be able to offer a better varied selection of daily choices that our pupils will enjoy. Previously the choices have been very limited and moving forward we believe Miquill will be better equipped to meet the dietary needs of our children.

Please see attached the Miquill allergy letters and new menu choice. The company have been alerted to any children with existing dietary requirements and will cater for these accordingly. Any returning forms will be kept on file for future reference. There is no need to attached photo ID as school have already supplied the kitchen staff with this information.
You do not need to return the allergy forms if your child does not have allergies.

Each day the children will be offered a selected main or a pasta choice, a jacket potato choice or a choice of sandwiches.

They will also have a selection of fresh vegetables, salads and fruit as well as a pudding choice.

We are very excited that this new company will be able to offer such a selection each day and hope that this will meet with your approval.

If you have any questions, please contact school.

Kind regards

Marie Povey (Deputy Head)

Dear Parent/Guardian/Carer

The company firmly believes in providing high quality food for your child to enjoy that is safe to eat. Special diets are an integral part of our catering provision, whether as a result of an ethical or religious belief or a food intolerance or allergy.

We accept our duty to comply with the Food Information Regulation 2014 which states that allergen information must be provided for all food prepared and sold, and as such we are able to provide a meal for your child if they have a special dietary requirement.

However, in order for us to do this we require you to complete and return the special diets form to the school as soon as possible.

If your child has a food allergy resulting in a severe reaction/anaphylactic shock we will be in contact to discuss a suitable menu. If this allergy is to one of the known 14 allergens (celery, cereals containing gluten, crustaceans, egg, fish, lupin, milk, molluscs, mustard, peanuts, sesame, soybeans, sulphur dioxide, tree nuts.) then your child can be fed from our allergy free menu until we have agreed a suitable menu with you.

If your child has multiple allergies or is allergic to other foods, such as tomatoes we request that you provide a packed lunch for them until we have met with you to agree a suitable menu.

For those children with intolerance and lifestyle choices, please follow your schools ordering system to select a suitable meal from the daily menu.

If you have any further questions or require assistance please contact us, via the school, where we will be happy to help.

Regards

The Catering Team

Special Diets/Allergy Form

The Company is committed to providing meals for children with special diets for medical and cultural requirements.

It is essential that all parties concerned work together when providing a safe, special diet and that this is reviewed with every menu change. Therefore, please ensure this form is fully completed.

If the parents and Head teacher are happy, we will also display a 'Food Allergy Record Sheet' and a photo of the child on the kitchen wall near the server.

It is vital that all forms are accompanied with a referral letter or other information from a medical professional (GP/consultant/dietician). It is important the Operations Manager & Unit manager have met the student's parents/guardian and students requiring the special diet to ensure they give the right meal to the right child. This form should be handed into the school and discussed with them in the first instance.
