# SEND Specialist Teacher

Enriching inclusive education for all

Are you looking to enhance your inclusive practices and provide exceptional support for students with special educational needs and disabilities? Look no further! Our experienced and dedicated SEND Specialist Outreach Teacher is here to collaborate with you, making a lasting impact on the lives of all students.

At Two Rivers High School we believe that every child deserves an education that caters to their unique abilities and needs. Our SEND Specialist Outreach Teacher brings a wealth of knowledge and expertise to help your school create an inclusive environment where every student can thrive. Working hand in hand with your teachers and support staff, our outreach teacher will provide tailored guidance, strategies, and interventions to meet the diverse needs of students with SEND.

Our SEND Specialist Outreach Teacher is committed to building a strong partnership with your school community. They will offer specialised support to equip your staff with the tools and knowledge to effectively support students with SEND in the classroom. From adaptive techniques to behaviour management strategies, our outreach teacher will empower your educators to create an inclusive and engaging learning environment.

With their extensive experience in supporting a range of SEND needs, our outreach teacher is well-versed in working with students with autism, dyslexia, ADHD, and more. They understand the importance of personalized attention, scaffolding learning, and nurturing the unique strengths of each student.

By inviting our SEND Specialist Outreach Teacher to support your staff and pupils, you are demonstrating your commitment to inclusive education and empowering every student to reach their full potential. Together, we can build an environment where all students are valued, celebrated, and supported on their educational journey.
