The policy has four parts;

Part A - Introduction

Part B - The Health and Safety Policy Statement

Part C - Management Arrangements

Part D - The detailed arrangements & procedures for Health, Safety and Wellbeing within the Two Rivers School

Part E - The Key Performance Indicators

**A. Introduction** This policy statement complements (and should be read in conjunction with) the SCC Health and Safety Policy. It records the local organisation and arrangements for implementing the SCC policy.

This policy is applicable to Two Rivers High School, Two Rivers Primary School and Tamworth SEN Nursery.

### **B.** Policy Statement

The requirement to provide a safe and healthy working environment for all employees is acknowledged and the Two Rivers School Logistics Local Committee recognise and take responsibility for compliance with the statutory duties under the Health and Safety at Work etc. Act 1974.

The Logistics Local Committee will ensure so far as is reasonably practicable that:

 all places and premises where staff and pupils are required to work and engage in school activities are maintained in a condition which is safe and without risk to health. (This includes

- the health and safety of persons on the premises or taking part in educational activities elsewhere.)
- all plant and equipment is safe to use and that arrangements exist for the safe use, handling and storage of articles and substances at work.
- appropriate safe systems of work exist and are maintained.
- sufficient information, instruction, training and supervision is available and provided to ensure that staff and pupils can avoid hazards and contribute in a positive manner towards their own health and safety and others.
- a healthy working environment is maintained including adequate welfare facilities.

In addition to the above the school will ensure that so far as is reasonably practicable that the health and safety of other nonemployees is not adversely affected by its' activities.

Employee involvement is an important part of managing safety, and consultation on health and safety with employees and employee representatives' forms part of this policy.

This policy statement and the accompanying organisational arrangements supersede any previously issued.
