Friday 2nd February

Dear Parents / Carers,

This half term, we have been learning about different forms of transport in Geography. In order to relate this to real world experiences, we will be taking a trip on the local public Arriva bus into Tamworth on Wednesday 7th February.

These trips will be made in small groups with class staff, with pupils walking to the local bus stop, boarding the number 5 service and riding the bus into Tamworth town centre. We will be completing a return journey, straight back to school.

Please complete and sign the consent slip below and return this to school if you are happy for your child to complete the journey.

Yours sincerely,

Alison Taylor

Dear Parent/Guardian

Please see below the information from Staffordshire Country Council outlining guidance on measles:

Information for all settings: Guidance on measles outbreaks

There have been recent localised outbreaks of measles centred around the West Midlands. There is a risk of further outbreaks in other areas unless urgent action is taken to increase Measles, Mumps and Rubella (MMR) vaccination take up in areas with low MMR vaccine rates.

Measles spreads very easily among those who are unvaccinated, especially in nurseries and schools. The best protection against measles for children and adults is to get both doses of the MMR vaccine. It is never too late to have these vaccinations.

The NHS has the following advice for parents on measles:

- [Measles - NHS \(www.nhs.uk\)](http://www.nhs.uk)

DfE has published an [Education Hub blog](#) with guidance on measles and the MMR vaccine for parents, nurseries and schools.

Further information can also be found here:

[National measles guidelines - GOV.UK \(www.gov.uk\)](http://www.gov.uk)

The following UKHSA guidance is available on GOV.UK:

- [Health protection in children and young people settings, including education - GOV.UK \(www.gov.uk\)](http://www.gov.uk)
- [Managing outbreaks and incidents - GOV.UK \(www.gov.uk\)](http://www.gov.uk).

On Tuesday 23rd January, the DfE and UKHSA held a joint webinar for educational settings/EY LA teams across the West Midlands regarding the latest information on the current measles situation and what actions settings should take in the event of cases/potential cases presenting in their settings.

School will share this information with parents once we have received guidance.

She will normally be offering the service on a Monday morning once a month on the primary site, the next appointment will be on **Monday 5th February 2024**.

Please fill in the slip below to inform Sarah of the style required and she will provide this service in school time, with the support of our staff. If you could also enclose payment with this, in a named envelope, we can pass this straight to the hairdresser on the same day.

Number Day 2024

On **Friday 2nd February** we will be raising money for the NSPCC Number Day. We will be exploring maths activities around the theme '2 Rivers' and singing number songs.

We are inviting all children and staff to come to school in non-uniform this day for a small donation for the NSPCC. Your child will receive a small treat if their outfit includes a number.

Home Learning Challenge

As our theme is '2 Rivers' I would love to set a home learning challenge. Your child is welcome to create a pair of socks. You can be as creative as you like using any art supplies you have. Please return all entries by Monday 19th February and a winner from Red, Yellow and Blue will be chosen.

Everyone who enters will get a yummy treat.

We look forward to raising money for this fantastic charity and having fun with Maths. Any questions please feel free to message me directly on the
