

Curriculum Drivers– Prima area: Communication and Language

Educate

- Teaching and developing and understanding of different modes of communication. i.e., verbal language, picture exchange communication (PECS) and Makaton sign.

Communicate

- To provide opportunities to use a variety of communication tools,
- To model and encourage the use of appropriate and relevant modes of communication.

At Two Rivers Primary School we plan our curriculum to enable the children to:

Celebrate

- The ability to express wants and needs,
- To be communicators using own preferred mode of communication,
- To begin to develop independence,
- To begin to develop self-esteem and confidence.
