

Curriculum Drivers– Specific areas: Understanding of the World

Educate

- To teach an awareness of environment, people and features of the world, both natural and man-made,
- To teach cause and effect.

Communicate

- To provide resources which develop knowledge of the world through play i.e. small world toys, role play toys, books...
- Provide photographs of family, key people and friends,
- To provide resources which develop knowledge of ICT i.e. cause & effect toys, interactive plasma and iPads...
- To develop an awareness of British values and other cultures.

At Two Rivers Primary School we plan our curriculum to enable the children to:

Celebrate

- Can recognise self and others,
- Can activate buttons, flaps and simple mechanisms,
- Can notice features in both the immediate and wider environment.
- Can participate in cultural days through role play, songs and creative activities.
