

TWO RIVERS SCHOOL

CHARGING AND REMISSIONS POLICY

Aim

The aim of this policy is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449-462.

Responsibilities

The Governing Board of the school are responsible for determining the content of the policy and the headteacher for implementation. Any determinations with respect to individual parents will be considered jointly by the headteacher (*and/or Governing Board*).

Definitions

Community Facilities – activities which the Governors do not feel is of direct educational benefit to children at the school.

Extended School Provision – provision of childcare outside the standard school day where it is optional as to whether the child attends.

External Lettings – letting to an organisation other than the school.

Remission – where a charge is not payable, either in full or in part.

Sinking Fund – a reserve put aside over a number of years to pay for major maintenance or renewal costs.

Prohibition of Charges

The Governing Board of the school recognise that the legislation prohibits charges for the following:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- tuition for pupils learning to play musical instruments if the tuition is required as an essential part of the National Curriculum, or part of a syllabus for a prescribed public examination syllabus being followed by the pupil, or the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme (Wider Opportunities);
- entry for a prescribed public examination, if the pupil has been prepared for it at the school;
- education provided on any trip that takes place during school hours;

- transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school;
- transport provided in connection with an educational trip.

(It will be necessary to determine, where applicable, for each of the following whether the Governing Board intends to make a charge and how much the charge should be).

Consideration also needs to be given to:

- the proportion of the costs recovered where a charge is to be made;

- whether or not special consideration is to be given to hardship cases not contained within the exemptions and how this is to be determined;
- arrangements for education where the parents fail to pay the charge being levied by the school;

- the maximum amount that can be used from the school’s budget to support community facilities is the amount of the school standards grant allocation;

- for lettings, the charge should at least cover the cost, including:

 - Administration
 - Wear & tear (sinking fund)

- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The costs of any optional extra undertaken by any pupil whose parents/guardians are unable to pay may not be included in the charge to other pupils but must be funded through the delegated budget, school fund or other fundraising.
