

Uniform Policy

Two Rivers High School

It is our policy that all wear school uniform when attending school, representing the school, or when participating in a school-organised event outside normal school hours. Our school uniform policy has been written in guidance with the DfE's [Cost of School Uniforms statutory guidance](#).

The aim is that pupils of Two Rivers High School will develop and feel a sense of community and belonging through the wearing of the school uniform. From time to time, some issues of safety and comfort for individual pupils which may necessitate some changes to the normal uniform can be taken into consideration. Items of jewellery which could be a health and safety risk are not allowed.

The school asks that the uniform detailed below be followed:
