Key of Anacronyms

Anacronym	Description
1 – Emg	Indicates a child who is at the 'emerging' they are not yet reaching expected levels of development at the end of the EYFS
2 – Exp	Indicates a child who is at the 'expected' they are meeting expected levels of development at the end of the EYFS
A	Indicates a child who has been granted a formal exemption from assessment in this area of learning.

KS1 Phonics Screening Check Results

KS1 Phonics Screening Check 2025

At Two Rivers Primary School, Bug Club is our whole school reading programme, with all staff trained and new staff completing both online training and an induction led by the English Lead. Formal learners read decodable Bug Club books, while pre-formal learners use Super Sounds, a systematic pre-phonics programme that develops early sound awareness through stories, songs and games.

The 2025 phonics screening **threshold was 32**, with one Year 2 pupil achieving this in a re-sit. 11 Year 1 pupils and 9 Year 2 pupils did not take part as they are working at Phase 1 phonics within the Engagement Model. In-house data shows that pupils are making progress in reading in line with their individual learning pathways.

Year 4 Multiplication Check Results

Year 4 Multiplication Check Results 2025

The Year 4 Multiplication Tables Check has no set standard, but a maximum score of **25** (25 questions). Learners practised times tables through 20/20 Maths sessions and interactive games such as Hit the Button. A 6 week targeted intervention in the Spring Term, led by a teaching assistant, supported pupils in preparing for the check. While not all learners could access the test, **21 of 26 Year 4 pupils** were able to complete it.

Key Stage 2 Data

No pupils are currently working at the expected standard in Key Stage 2. All pupils are assessed through the Engagement Model or Pre-Key Stage Standards. In Year 6, 7 pupils are working within the Engagement Model, and 22 pupils are working between PK1 and PK6. This shows the range of learning needs across the cohort. School assessment shows that pupils are making steady progress from their individual starting points.

This year, Two Rivers Primary School was selected for external moderation in Writing. The moderator reviewed the work of 8 pupils, where teacher assessments ranged from PK2 to PK5. The moderator was positive about the evidence seen and confirmed that all teacher judgements were accurate.
