CALLING ALL HEROES!

THE PRINCESS IN BLACK IS FACING A PROBLEM SHE CAN'T DEFEAT BY HERSELF!

IS IT A MONSTER?

HUH?

ME?

A SEA CREATURE?

HELLO.

A GIANT?

NOPE! THIS TIME IT'S A GERM SO TINY, WE CAN'T EVEN SEE IT.

THE WAY WE CAN HELP FIGHT THIS PROBLEM IS AS EASY AS

1-2-3!

1. WASH YOUR HANDS!

OR YOUR PAWS . . .

. . . HOOVES . . .

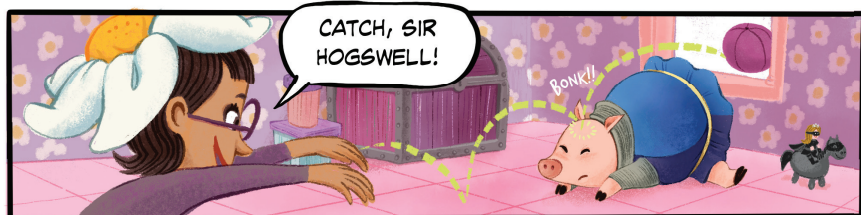

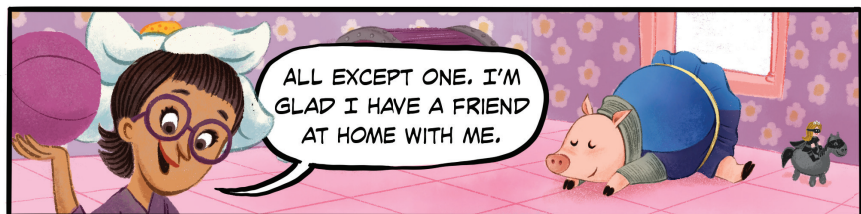

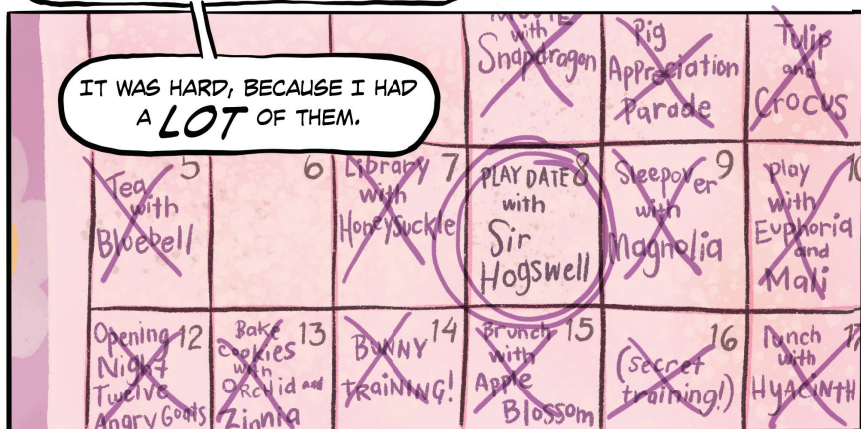

. . . OR TENTACLES.

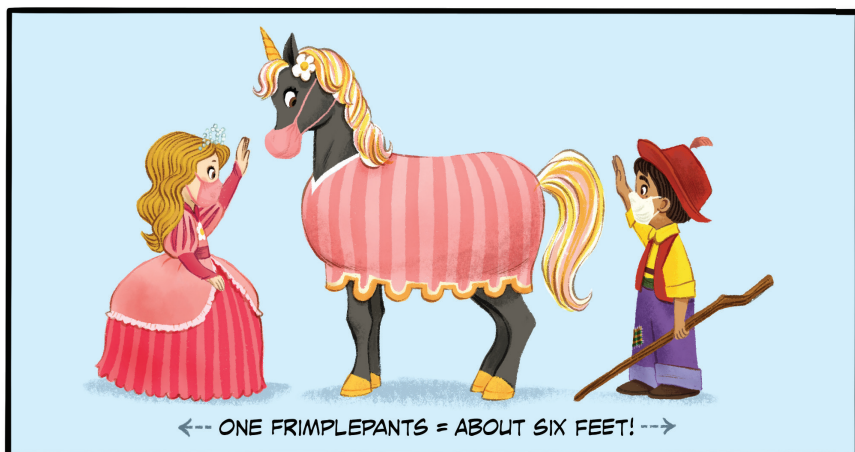

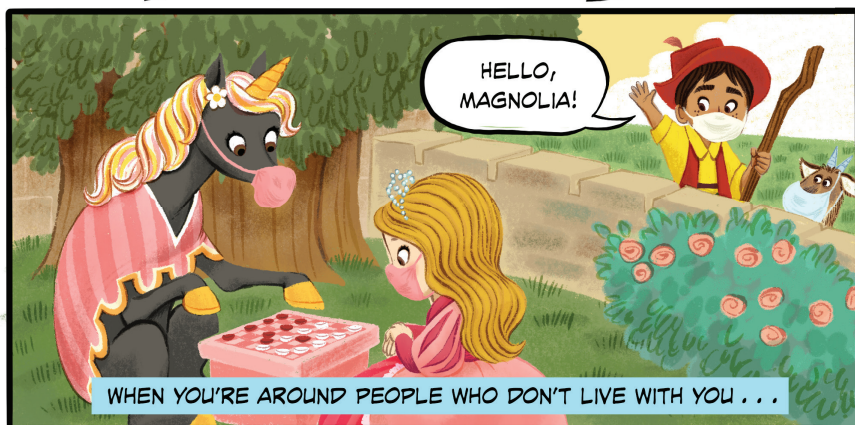

SING "TWINKLE, TWINKLE, LITTLE STAR" WHILE YOU WASH AND BE SURE TO SCRUB EACH AND EVERY FINGER. SOAP AND WATER EASILY GETS RID OF THE GERM!

3. MAKE SOME SPACE!
