

## Curriculum Drivers– Prime area: Physical Development

### Educate

- To be as physically independent as possible,
- To develop self-help skills.

### Communicate

- To develop gross motor skills both indoor and out – i.e. body awareness, balance, physiotherapy...
- To develop fine motor skills i.e. to grip and manipulate equipment,
- Opportunities to practise with purpose i.e. feeding, dressing and toileting.

At Two Rivers Primary School we plan our curriculum to enable the children to:

### Celebrate

- can use equipment safely e.g., climbing frame, cars...
- To demonstrate how to successfully negotiate space,
- The ability to move independently in an appropriate and safe manner.
- To begin to develop self-esteem and confidence.
