

**TWO RIVERS**  
PRIMARY SCHOOL

PROSPECTUS

## WELCOME

At Two Rivers Primary School, we are proud to offer a specialist teaching provision, that will enable all our pupils to lead fulfilling lives and be as independent as possible – through developing their strengths and working on creating a ‘can do’ attitude to life and learning.

All our pupils have an EHCP and we cater for a wide range of needs. We plan and develop curriculum opportunities that are pertinent to the children’s needs, enabling them to develop friendships with like-minded peers, and focus on developing the skills to become caring, creative citizens through developing their self-knowledge, self-esteem and self-confidence; to be able to distinguish right from wrong; to accept responsibility for their behaviour, show initiative, to understand how they can contribute positively and to develop the skills to show respect for other people.

Pupil attainment and development is an essential part of education and at Two Rivers we take a personalised approach and use this information to record and track the pupil’s progress.

Laura Slinn  
Executive Head Teacher | Two Rivers Primary

# EDUCATE: COMMUNICATE: CELEBRATE

The school strives relentlessly to raise aspirations and attainment by providing high quality teaching and learning in a safe and secure environment in which the pupils' welfare is paramount and where everyone is valued equally.

The school promotes, encourages, supports and celebrates learning by ensuring:

- Excellent relationships between pupils, staff and families.
- High expectations for learners.
- A curriculum that is challenging, creative, age appropriate and relevant to the needs of the pupils.
- A positive, happy and motivating learning environment and culture.
- An holistic approach to the pupils' learning, health and welfare is achieved.
- Pupils' confidence and self-esteem is nurtured and combined with respect for others and understanding of responsibilities, self-discipline and high standards of behaviour.
- Strong links with the community.

**Pupils' welfare is paramount  
and where everyone is  
valued equally**

## PUPIL SUPPORT

Staff from Health and Education work together to ensure the wellbeing of all of our pupils. A nurse is based on site for 4 days a week to advise and support our children and families. Physiotherapy, Occupational Therapy and Speech and Language programmes are devised by NHS staff and delivered by our school staff.

We have a dedicated team to offer family support, with a focus of safeguarding, mental health and supporting our families to bridge the gap between professionals, school and home life – making sure the children can succeed in all areas.

Our education staff are trained in a range of therapeutic approaches to enable wellbeing to be a focus of what we do because we know that children learn best when they have a high level of wellbeing. These therapies include: Music Therapy, Drawing and Talking therapy, Rebound therapy, Pet therapy, Sand therapy and Holistic therapies. These are part of all children's timetables each week and help to develop a sense of calm and self-reflection for all.

## EYFS

**Two Rivers Early Years Foundation Stage and Tamworth Nursery is located on the Torc Campus. It provides an assessment and early intervention service within the Tamworth area for children aged 2-5 years.**

The setting provides a specialised full-time provision from a specialist lead teacher, teaching assistants and Music Therapist. The facilities include a dark room, large open class space and a beautiful outside area, with access to specialist rooms in the High School setting. The team liaise with other professionals to support children with additional needs and work to enable smooth progression to an appropriate placement in either mainstream nursery/school or special school.

To gain a place referral must go through the Early Years Forum in Staffordshire.

**The team liaise with other professionals to support children with additional needs**

## KEY STAGE 1 AND KEY STAGE 2

Our school curriculum at Two Rivers Primary School is underpinned by our ethos of educating children in the knowledge, skills and understanding, that will enable them to lead fulfilling lives and be as independent as possible.

It is dedicated to meeting the needs of the individual child. We incorporate flexibility in order that children can access a variety of experiences throughout their time with us. Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development. Child centred learning encompasses opportunities for pupils to learn and develop their confidence and skills through a broad, balanced, differentiated, and creative curriculum. Practical lessons and interactive learning are highly valued and educational visits are a common feature. Through our curriculum we strive to ensure every child has a sense of self-worth and has some understanding of responsibility, self-discipline, and an aspiration to employment. We have high expectations and set aspirational targets that inspire pupils.

Our curriculum is devised so that pupils follow a pathway that will have the most effective impact on their individual development

## SCHOOL PROGRESSION

**It is important that children who attend have same age peers. This enables the children to develop appropriate friendships and share common age appropriate likes, learning and communication.**

The school is split into 3 phases. Red phase is for all our Early Years and Key Stage 1 children. Yellow phase is for our Year 3 and Year 4 children and Blue phase is for our Year 5 and Year 6 children. We develop our classes in response to the children's social needs and learning approaches, this gives us the flexibility to get the approach right for each child. Children usually change class each year and the work around transition takes place in a carefully planned and resourced manner – to build skills throughout the year. When the children leave us in Year 6 most of our children transition to Two Rivers High School, because of this we carry out different activities with Two Rivers High School throughout the year, from Reception to Year 6.

## THE SENSORY CURRICULUM

**At Two Rivers Primary school, we have a group of children that require an inclusive curriculum, The Sensory Curriculum.**

This is for our children who have the most complex needs, arising from a combination of difficulties, including co-existing conditions such as Autism and ADHD, profound and multiple learning disabilities, physical disabilities, sensory impairments, mental health needs and challenging behaviour. They also include children who have difficulties arising from premature birth, have survived infancy due to advanced medical interventions, and/or have rare chromosomal disorders. For those children at the very early stages of cognitive development, a Sensory Curriculum is appropriate for their individual needs. Our Sensory Curriculum consists of a programme of study which will be offered in a variety of situations. The children are taught using a thematic approach, with a new theme each half term. There is a two-year rolling programme that is followed and the children progress through the phases. This also incorporates their weekly sessions of physiotherapy, speech therapy and occupational therapy following individual programs. Children can move in and out of the Sensory Curriculum as they progress and develop.

**Children are taught using a thematic approach, with a new theme each half term**

# SCHOOL ORGANISATION AND UNIFORM

Two Rivers Primary School and Tamworth SEN Nursery opens at 9:10am and closes at 3:10pm.

School uniform is compulsory and it can be purchased from <https://skschooluniforms.co.uk> or at the shop: SK SCHOOL UNIFORMS 46 Chartwell, Riverside, Tamworth B79 7UG. Alternatively, you may purchase a plain sweatshirt in the correct colour from any high street chain store or supermarket.

## Uniform:

- Royal Blue Sweatshirt
- White or Royal Blue Polo shirt
- Black trousers or skirt
- Black shoes or trainers
- A Royal Blue Fleece and waterproof jacket is also available

## PE Uniform:

- A White T shirt
- Black shorts and jogging bottoms
- Pumps and trainers
- A Swimming costume for Key Stage 2 children

All uniform must be named, so that we are able to help find anything that is misplaced by the children. We request that no jewellery is worn, including earrings.

## COMMUNITY SUPPORT

**The school is an integral part of the local community in Tamworth and the wider area.**

Our pupils take part in a wide variety of projects and visits. We offer training opportunities and support to local mainstream schools and provide an inreach programme called The Rainbow Room for EYFS and Key Stage 1 children, who attend mainstream school. These children attend for a short period of time for intensive therapeutic and academic input from specialist teachers.

**Our pupils take part in a wide variety of projects and visits**

# ENDEAVOUR MULTI ACADEMY TRUST

We encourage and support everyone in our learning community to be the best they can be. It matters. We operate within strict ethical and equitable guidelines.

Our community fosters leadership, equity, diversity and respect. We encourage our learners to recognise their own abilities but also their challenges.

It is an adventure rich with opportunities for lifelong learning, personal development, achievement and enjoyment. We are a forward-looking organisation. We seek to ensure that each school's individual character and spirit is celebrated and protected. It is our partnerships with other schools and organisations that enhances the quality of the provision we offer.
